1. The contest will run from January 1st through December 31st. All entries from the previous year must be turned in by the regular January meeting.
2. For consideration in the monthly contest, entries may be mailed to VBAC or placed in the hands of the Prize Fish Committee before the regular meeting begins, following the month the fish was caught. To be eligible for annual awards, all entries must be submitted no later than the second meeting following the catch.
3. The territorial limits for the contest shall be the waters of Virginia and North Carolina.
4. The contest is open to all members in good standing whose dues have been paid before the catch, according to Club bylaws. There is no entry fee.
5. To be accepted for entry, fish must be taken on hook and line by anglers adhering to the VBAC rules, as listed on back. The catch must be made during the legal season for that species, and from waters open to public fishing.
6. To qualify for entry, all fish must be weighed on official certified scales.
7. Weights should be converted to pounds and ounces. A witness must be present and must sign this form. If the fish qualifies for a VA or NC state tournament citation, that receipt will meet these requirements.
8. Entries in the monthly contest that meet "minimum club weight requirements" will be considered for the annual contest. The Prize Fish Committee sets minimum acceptable weights.
9. Acceptability of entries will be at the discretion of the Prize Fish Committee, whose decision will be final.
10. In case of a tie: length, then girth will be used to determine the winner.
