## **GREAT STORY**

Tuesday August 18, Bob Low, Bruce Stewart were fishing on FOURPLAY with Bob's grandson, Jordan and 2 of Jordan's recent high school graduates from Baltimore. We were off Cape Henry watching dolphins as the 2 friends had never seen them outside of an aquarium

One other boat(about 22 ft) was there with 3 people and a dog. The 2 men and the woman were in the water yelling for help. They had tried to swim with the dolphins and couldn't get back to the anchored boat due to the swift outgoing tide.

We were several hundred yards away .Bruce drove our boat to them and Bob threw an attached life ring. They climbed aboard and we took them up current of their boat. They swam back to their boat and dog..

We didn't catch any fish that day but the boys and the swimmers had exciting experiences.

Bob

## TOURNAMENT NEWS CONTINUED

Flounder bite was red hot on August 1st. This 9lb 8oz 27 3/4 inch citation flounder was caught on a bait strip at the CBBT by Beth Synowiec (known as classicrockfish) during the St. Jude's Flounder tournament. Beth just missed the Calcutta prize of \$2000.00 for largest fish caught during the tournament by only 3oz!

PS.....please note I submitted 2 pictures... one was taken on Aug 1 the day of the tournament and the other was taken today. You choose which one you would like to post. Thanks Beth

## IMPORTANT INFORMATION FOR BOATERS

The Coast Guard in Hampton Roads has a new emergency number for mariners who can't use a radio channel, the primary method of communication.

Any mariner unable to use Marine VHF Radio Channel 16 (156.8 MHz) may now call a new toll-free emergency number: 1-877-SCCJSAR (1-877-722-5727).

Sector Hampton Roads, which will take calls from that emergency number, is responsible for responding to marine emergencies along the coast from the Delaware-Maryland border to the Virginia-North Carolina border, in the Chesapeake Bay south of the Potomac River and within Virginia's navigable rivers.
