CLUB NEWS

Giving Back to our Community VBAC 2nd Year supporting ADAPT-A-SPOT program

The January 7th Adopt-A-Spot Clean up at the Lynnhaven Boat ramp had 11 of our club members out in the very unusual 60 degree day helping. What a wonderful day to be out helping our community and fellow Anglers! Numerous bags of trash were picked up while watching boat after boat launch and recover. Lunch was chili and corn bread muffins made by Clare A.! mmmmmm. Thank you all very much for helping support our Community!

Hope to see all next time, March 3rd at 10 AM.

For background on ADOPT-A-SPOT, our Club has been granted an ADOPT-A-SPOT/ WATERWAY on the Lynnhaven Inlet and Chesapeake Bay at Crab Creek Boat Ramp/ Lynnhaven Beach in Virginia Beach. We signed up to perform a clean-up of the beach area at the Crab Creek Boat Ramp beginning back in January 2011. Last year's clean-ups were supported by a number of our members, with very clean results at the Creek.

Our commitment to this worthy endeavor requires that we conduct 6 clean-ups per year. The scheduled clean-ups for 2012 will take place the Saturday following our monthly meeting of January, March, May, July, September, and November. We anticipate meeting in the parking lot at Crab Creek by 10:00 am Saturday mornings to begin our session. The club will serve a lunch to our volunteers at each session.

Bass Pro Shops 2012 Spring Fishing Classic

People are still needed to staff the VBAC table for March 3rd and 4th. Jerry can be contacted at the March meeting or via email (Jandmahughes@cox.net)/phone (548-2290). Club Members who volunteer to participate will receive a special discount from Bass Pro Shops on store items for participating.

Background: The VBAC was invited to participate in the Bass Pro Shops 2012 Spring Fishing Classic. They requested we man the booth from 10AM until 6PM Saturday and Sunday. Two people for each four hour shift (10AM-2PM, 2PM-6PM) is sufficient. This is an opportunity for VBAC to advertise our Club and an opportunity for Club Members to fulfill the VBAC participation obligation for 2012. We will not be able to sell any items.

March Monthly Meeting

This month's guest will be Capt. Mike Atkinson...A.K.A Cat-Man-Do speaking on Monster Blue Catfish in the James River and Surrounding areas. He has been fishing the James since he was a child and is one of the most successful Charter Captains on the James River.

Board Notes

The board is planning family beach day. Possibly Sandbridge in June or July. Please inform Larry or Ed Buckley about your interest.

The board is also preparing some changes to the function and activity manual. Most changes concern anglers in tournaments sponsored by the club. Prize fish rules will also be updated and published in this newsletter on pages 6-7.

Club membership voted to adopt amendments to the club constitution and by-laws at the February club meeting, the changes were published in the previous newsletter.

Old notes:

VBAC has a group membership with Boat US- group # GA84494B. When you sign up for BoatUS, using the VBAC group # will provide you a discount on your fee. See Jerry Hughes for more details.

Great Bridge Swap meet, March 10th, VBAC has a table where members go put out and sell their unwanted nautical wares-- Jerry Hughes can provide more details.

Inspection Opportunity

Member Craig Huber, as a member of the USCG Aux, has offered to make himself (and others as necessary) available to conduct boat safety inspections- which when you pass, you will be issued a sticker to display on the boat. Craig will be at Crab Creek on Saturday, March 3 between 9:00AM and 12:00. Free for members. This date coincides with our clean-a-spot duty for the club. So you can kill two birds with one stone: bring your boat by land or sea to Crab Creek on March 3rd, and help clean up while Craig and company conduct their safety inspection.

If you plan on bringing your boat down, please drop Bob Stuhlman a note at kitchenpass71@yahoo.com; so Craig can have ample assistants to help with the demand. You can take a "virtual" exam at <http://www.safetyseal.net/index.asp> or sign up for another date if the 3rd is not good.

A Note from the Prize Fish Committee

Great job by all 2011 participants. Reminder, your 2012 dues must be paid before catching any fish for the 2012 contest.

Changes to Club Prize Fish Minimums

We've made some changes to club minimums (effective immediately) for fresh and saltwater prize fish. As some of you are probably out catching fish as this is being written, we want to make you aware of the changes. Also, remember that all fish must be caught in accordance with state and federal regulations (e.g. Shad above the Fall Line and Striped Bass outside 3 miles are both no-no's).

The VBAC Fishing Roulette

The second VBAC Fishing Roulette Challenge is underway. The five species of fish for 2012 are: sunfish, blue catfish, chain pickerel, flounder, and tautog. 26 people signed up and will be competing for the prize money. The angler with the heaviest catch for the selected species by Dec 31, 2012 will share the pot with the other winners. Weight will determine winner (not length).

*(Wahoo, Tuna, Gar and Amberjack will not be part of the drawing)

Annual Awards Banquet

Reminder, the Annual Awards Banquet will be on March 24, 2012 at the Greek Orthodox Church at 621 First Colonial Road. The cost is \$15 per member and \$20 per guest. (If you decide to come at the last minute, it will be \$20 at the door.) Please don't let the "awards" part of that scare you off. Yes, the proficient anglers among us will be recognized. But we'll also have a wonderful meal made possible by our own Chef Jerry and his kitchen staff as well as a wide variety of raffle items available. M/C is CAPT Reese Bowles. It's a great time to make some fishing connections and get to know who is catching what and where. It is a BYOB event. The club will provide water and soda. Come join us.

Tickets will be available at the March meeting. Please see Sue Smith. Hope to see you there.

P.S. If you have an item or items that you would be gracious enough to donate for the raffles, please bring them to the February or March meeting or call Sue Smith at 340-8022 and she will make arrangements to get them from you.

“Keep the beaches open” effort...

If you want to keep the NC beaches open, please go to the link below and sign the petition to show your opposition to the beach closures. It's going to take a great effort on behalf of all that support access and many signatures will be needed.

Previously published important information

An important update on the Menhaden restoration status that Alison Fairbrother of the Public Trust Project prepared can be found at the following website: It is very informative.

<http://bit.ly/A0pRZZ>

An ASMFC commissioner representing Virginia (Richard Stuart) is proposing that Virginia withdraw from the Atlantic States Marine Fisheries Commission (Senate Bill 18).

As I understand it, Virginia would still have to abide by the ASMFC's regulations on coastal marine resources (including Menhaden) whether the state is part of the ASMFC or not ... but Virginia wouldn't have a seat at the table (vote).

Fish Recipe

The next time you want to try something different, soak cut up pieces of Tile fish (fish bites) in Texas Pete hot sauce for a minimum of 4 hours (over night is fine) in the refrigerator. Rinse bites lightly and then bread and fry normally. The Texas Pete flavor it in the fish but none of the heat...mmmm good....Recipe borrowed from Capt. Skip Feller.

Fishing Tales

Attached photo was taken on 2-7-12 from my boat on the Piankatank River. Don Bayford caught a 40" release citation blue catfish. Cell phone would not get his face in the photo with the cat since he could not lift it any higher, and on my boat I could not go any farther back and stay dry. This was one of many cats that we landed that day as well as a few quality sized bowfins. The bowfins were not in the "Jeffords" class size. Melanie Bayford
