The President's Corner

Well the dog days of summer are upon us, and the fishing is right. I hope everyone is enjoying there summer. It was great seeing everyone at our awards banquet/bbq. A big thank you to our Chef Jerry Mariano and all his helpers. Congratulations to all the award winners. Wishing you fair winds, following seas and tight lines.....Chris

Chris

Upcoming Events

Monthly Meeting:

When: August 5, 2021 7:00 PM

Where: Foundry United Methodist Church

Meeting Speaker: Mark Lozier

Meeting Subject: Sheepshead

August 7 – Crab Creek Clean-up - 10AM – Crab Creek

Parking Lot

August 12 – NPS Kids Surf Fishing Clinic – Wildlife Refuge

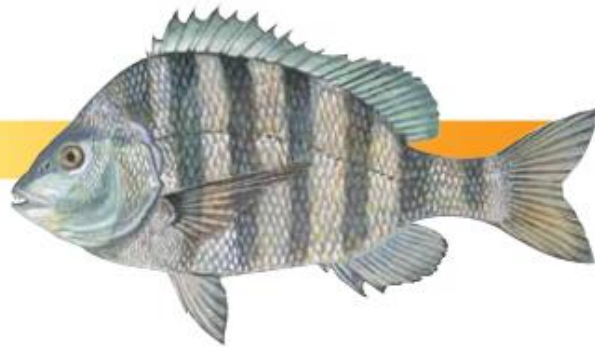

August 19 – Board Meeting

SHEEPSHEAD

(Convict Fish) *Archosargus probatocephalus*

Description: a deep bodied fish that is grayish in color along the back and sides with a belly that is only slightly lighter in color; 5 to 6 black (or very dark brown) bars run down the sides; mouth is filled with formidable incisor and molar teeth; pectoral fin is long and pointed.

Similar Fish: Similar in body shape and size to several porgies; most similar in appearance to small black drum, but easily distinguishable by single dorsal fin structure (black drum have separate first and second dorsal fins), mouth with incisor

and molar teeth (black drum lack substantial teeth in their mouth, having crushing plates, called pharyngeal teeth, deep in their throat) and absence of chin barbels (black drum have pronounced chin barbels).

Size: up to 20 pounds; average size ranges from 2 – 8 pounds.

This Month's Quote

“A bank is a place that will lend you money, if you can prove you don't need it.”

Our July Meeting

Our July 30th Awards BBQ

Our Mission:

The purpose of the Virginia Beach Anglers Club is to encourage sport fishing, both freshwater and saltwater, while supporting prudent governmental and other policies that promote the preservation, conservation, and ecology of all marine life.

The Virginia Beach Anglers Club meets the first Thursday of each month at 7:30 p.m. at Foundry United Methodist Church; 2801 Virginia Beach Blvd, Virginia Beach, VA 23452

www.virginiabeachanglersclub.org
www.facebook.com/virginiabeachanglersclub

2021

Awards Banquet

July 30, 2021

Welcome to the Virginia Beach Anglers Club Awards BBQ!

The last year was full of challenges. COVID defined 2020 and everybody was forced into different lifestyle choices. Many of us found comfort by spending time on the water with our best fishing friends or family. It was a great opportunity for many to rediscover the outdoors and enjoy fishing locally. We are glad to have you all here to enjoy the banquet post-COVID!

**SPECIAL THANKS TO ALL THOSE WHO
WORKED DILIGENTLY BEHIND THE SCENES
TO MAKE TODAY A SUCCESS**

Donations and Contributions

Dozens of businesses and individuals provide donations to the Virginia Beach Anglers Club on an annual basis. Their contributions don't always appear as raffle prizes at the banquet. They may also contribute by buying ad space in our calendar, website, or newsletter. Donations are made monetarily towards our Seton Youth fishing event as well. Each of these contributions help to make the club successful.

Support those local businesses that support us and thank all the individuals that help make a difference. Without all of them, the club would not be able to provide the many opportunities it does to give back to the community.

Last but not least, thousands of man hours are volunteered by club members each year. A big thank you goes out to the members working diligently to support the club.

Today's brochures were printed and provided at no charge to the club by Brian, at Virginia Printing and Signs

VBAC Fishing Roulette Challenge

In keeping with the mission of the Virginia Beach Anglers Club, "to promote fishing activities," the club started a friendly fishing competition for members only.

This is our 10th year.

The Fishing Roulette

The purpose is to encourage our members to step outside their angler comfort zone and broaden their angling experiences by fishing for species or fishing in waters they would otherwise not consider. The Roulette rules were established with consideration of leveling the angler field; eligible species include both saltwater and freshwater varieties; accessible by shore or boat. The rules are simple. Any member in good standing has until the March meeting to enter the Roulette and pay their \$20.00 entry fee. At the March meeting, five species are randomly selected by spinning the roulette wheel from the list of club-eligible prize fish. All fish (aligned to the five selected species) caught in the period beginning January 1st through December 31st of that calendar year can be presented for the competition. Relying on the honor system for the Roulette, we only accept the weight of the fish. At the end of the year, the participant with the heaviest fish caught in each species category gets a share of the prize money. The prizes are based on the total sum of money collected divided by the number of species (1 winner per species).

Congratulations to the 2020 winners!

Bowfin	Alan Hunter
Yellow Perch	Preston Mangum
Flounder	Kelly Hoggard

Virginia Beach Anglers Club

Member of the Year

Purpose: This award recognizes an outstanding VBAC member who has given much time and effort to improving the quality of the VBAC. This award is not based on angling efforts and excludes from consideration those duties performed in conjunction with an elected office.

Format: The president appoints a committee chairperson on or about the October time frame. The committee chairman will select the remaining committee members (normally 2-3 persons). The president is a ex-officio member of this committee. At the December board meeting, the committee chairman proposes to the board a list of candidates for the award. The board can propose other candidates as well. Selection of the recipient is by ballot vote. The recipient must receive a majority vote of the board. The chairman keeps the name of the winner secret. This award may be won more than once by any member.

Recipient: Preston Mangum

Dr. James C. Wright Conservation Award

Purpose: This award is presented to an individual who, in the opinion of the VBAC, contributed substantially to the conservation of freshwater or saltwater ecology. Although not a firm requirement, this award normally focuses on conservation efforts within the state of Virginia.

Previous Recipient: CBF Vessel Jenny S

Captain Jimmy Sollner

Yancey Powell

New Club Records

To be eligible for a new club record, anglers abide by all prize fish contest rules and weigh their fish at an official state weigh station.

Save The Date

October 2nd 2021

Stan Sutliff Memorial Surf Tournament

Come celebrate the life of our dear friend, Stan!

Hosted by the Virginia Beach Anglers Club at Little Island Park in Sandbridge.

Timing of the event will be determined shortly.

Lunch will be provided along with an awards ceremony!

Prizes awarded for top scorer as well as largest fish in each species category.

Rules and Regulations to follow with more tournament details.

We hope you can make it!

Yeti Cooler Raffle

VBAC YETI COOLER RAFFLE

No fishing trip, camping trip or tailgate is complete without the Yeti Tundra Haul Cooler. Built like a workhorse with its virtually indestructible construction, this 13.8 gallon/55 quart cooler features reliable insulation to keep your catch, beverages and food items icy cold for days on end. Two durable wheels set the Tundra Haul apart by making it easy to tow from campsite to car via a strong, welded aluminum arm that is just long enough so you don't nip your ankles in the process. The rubber lid latches are specially designed to hold up to years of latching and opening, and the hidden side handles keep the cooler's profile sleek and easy to store while still providing you with a means to lift it into the car.

Retail price for the cooler is approximately \$400.00. Raffle tickets are only \$5.00 each. Only 500 tickets will be sold. Tickets will be on sale at all meetings and functions. If unable to attend, please call Bob Burstein at 267-994-7423 or email vbanglersclub@gmail.com and he will arrange tickets for you. If you would like to assist and sell tickets please contact Bob also.

The winning ticket will be drawn at the December 2, 2021 VBAC General Membership meeting.

You do not need to be present to win.

BUXTON = HATTERAS VILLAGE INVITATIONAL SURF FISHING TOURNAMENT

U.S. Coast Guard releases 2020 Boating Safety Statistics Report

WASHINGTON — The U.S. Coast Guard released its 2020 Recreational Boating Statistics Report Wednesday, revealing that there were 767 boating fatalities nationwide in 2020, a 25.1 percent increase from 2019.

From 2019 to 2020, the total number of accidents increased 26.3 percent (4,168 to 5,265), and the number of non-fatal injured victims increased 24.7 percent (2,559 to 3,191). There is evidence that boating activity increased significantly during the pandemic, from reports of increased boat sales, insurance policies taken out, insurance claims, and calls for towing assistance. With the increased exposure (i.e., more boating hours), there was greater risk of deaths, injuries, and accidents. The Coast Guard is analyzing variables associated with boating activity to normalize this accident data.

Alcohol continued to be the leading known contributing factor in fatal boating accidents in 2020, accounting for over 100 deaths, or 18 percent of total fatalities.

The report also shows that in 2020:

- The fatality rate was 6.5 deaths per 100,000 registered recreational vessels, the highest in the program's recent history. This rate represents a 25 percent increase from last year's fatality rate of 5.2 deaths per 100,000 registered recreational vessels.
- Property damage totaled about \$62.5 million.
- Operator inattention, operator inexperience, improper lookout, excessive speed, and machinery failure ranked as the top five primary contributing factors in accidents.

Capt. Scott Johnson, chief of the Office of Auxiliary and Boating Safety at Coast Guard Headquarters, reflected on a number of cases where boaters had recently purchased the vessel involved in the incident, but had not taken many of the proper safety precautions before getting underway.

Where the cause of death was known, 75 percent of fatal boating accident victims drowned. Of those drowning victims with reported life jacket usage, 86 percent were not wearing a life jacket.

"It's crucial for boaters to wear a life jacket at all times because it very likely will save your life if you enter the water unexpectedly," said Johnson. "The Coast Guard reminds boaters to make sure that life jackets are serviceable, properly sized, and correctly fastened."

Where boating instruction was known, 77 percent of deaths occurred on vessels where the operator had not received boating safety instruction. The Coast Guard recommends that all boaters take a boating safety course that meets the National Boating Education Standards prior to getting out on the water.

The most common vessel types involved in reported accidents were open motorboats, personal watercraft, and cabin motorboats. Where vessel type was known, the vessel types with the highest percentage of deaths were open motorboats (50 percent), kayaks (15 percent), and pontoons (9 percent).

The report is based off on incidents that resulted in at least one of the following criteria: death, disappearance, injury that required medical treatment beyond first aid, damages to the vessel(s) or other property that equaled or exceeded \$2,000, or a loss of vessel.

The Coast Guard reminds all boaters to boat responsibly on the water: wear a life jacket, take a boating safety course, attach the engine cut-off switch, get a free vessel safety check, and boat sober.

"The Coast Guard thanks our boating safety partners," said Johnson, "they continue to demonstrate a committed effort to reduce loss of life, injuries and property damage through education and enforcement."

To view the 2020 Recreational Boating Statistics, visit http://uscgboating.org/statistics/accident_statistics.php. For more information on boating responsibly, visit <http://www.uscgboating.org>.

WE NEED JUDGES!

We are on track to have the 2021 Cape Hatteras Anglers Club 63rd Annual Invitational Surf Fishing Tournament on November 3-6, 2021. The cancellation of the 2020 tournament was a big disappointment to us all. We sincerely hope you and your family have fared well during these difficult times. The 2020 Covid-19 pandemic is quickly fading in our rear view window, and we hope that you are ready to participate again in this year's tournament.

We expect to have 120 teams fishing in tournament this year, and, once again, we need judges to score the fish. Your past participation is greatly appreciated, and we invite you to be a judge again this year.

Attached is a 2021 Judges Sign-Up Sheet. I've even partially completed the application for you. Just fill in the remaining blanks.

Judges do not need to be CHAC members. Judges normally serve in pairs, so if you have a friend or spouse that you want to judge with you, just have that person fill out the enclosed blank Sign-Up Sheet. Judges must be able to exit their vehicle in order to score fish. Judges are responsible for handling, measuring & scoring fish. Team Captains are responsible for verifying the measurement and points earned. In order to pair you with your selected partner, we must receive both applications.

WE CAN ALWAYS USE MORE JUDGES! Please feel free to make additional copies of the attached blank Judges Sign-Up Sheet to share with anyone you know who may be interested in being a judge, or contact the Anglers Club office for additional sign-up sheets.

Please mail or email the completed forms by September 1, 2021. Should you later encounter a conflict that prevents you from serving, please advise us as soon as possible so we can search for a replacement.

Training will be provided at the Judges meeting held at 3:00 pm, on Wednesday, November 6th. Attendance is required. Judges will be reimbursed for gas used on Thursday and Friday only. Judges will be served a free lunch at the Club on Thursday and Friday. You will also be given complimentary tickets to attend Wednesday and Friday night events. As in the past, each judges will be assigned a location for the morning and afternoon sessions on Thursday, November 4th and Friday November 5th. Judges may fish for free in the Bob Bernard Open Individual Tournament on Saturday morning, November 6th.

Please note that the National Park Service requires an Off-Road Vehicle (ORV) permit for any vehicle driven on the beach of the Seashore. ORV permits must be purchased online at: <http://www.recreation.gov>. Type "Cape Hatteras N.S. ORV Permit" in the search box. This will take you to the correct permit page.

Again, thanks and tight lines!!! We look forward to seeing you.

____ I WOULD be interested in judging in future tournaments.

My preferred location for judging is:

1st Choice: _____ 2nd Choice: _____

My preferred partner – NAME: _____ PHONE: _____

(THIS PERSON ALSO MUST COMPLETE A 2021 JUDGES SIGN UP SHEET. PLEASE CONFIRM THAT YOUR PARTNER HAS FILLED IT OUT AND HAS RETURNED IT, OTHERWISE WE CANNOT PAIR YOU.)

Return by September 1, 2021:

Cape Hatteras Anglers Club

PO Box 145

Buxton, NC 27920

FAX 252-995-4253

email capehatterasanglersclub@gmail.com

Please give us at least a 48-hour notice if you find that you are unable to judge or unable to attend the judges meeting. We must have enough time to revise and reissue the judges' pairings and locations.

NOTE: Judges MUST attend judges' meeting at 3 pm Wednesday, November 3 at the Anglers Club

§ Judges will be reimbursed for gas used Thursday and Friday for Tournament-related driving.

§ Judges are provided lunch at the club Thursday and Friday.

§ Judges are given admission tickets to the Wednesday and Thursday evening events.

§ Judges can fish free on Saturday in the Bob Ballard Individual Tournament.

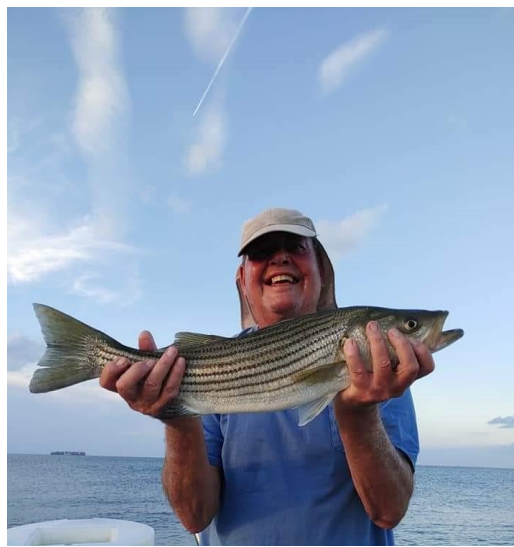

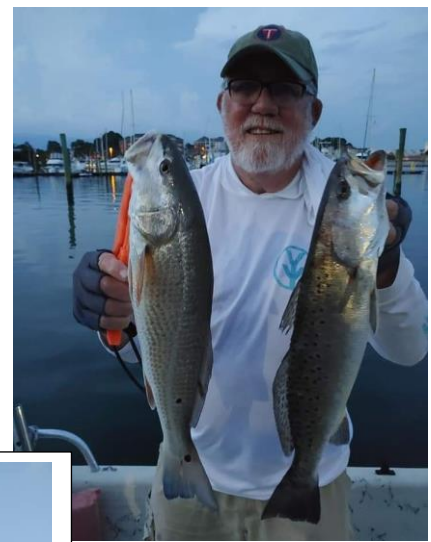

Thank you for taking part in our tournament. Without your help, the tournament would not be possible.

Salt Water News

Topwater action at Little Creek 7.14.21

Louis and I went fishing for a couple of hours at the end of the day at Little Creek jetties and really was determined to only use topwater lures.

We set up on the calmer side and as soon as Louis made his first cast and began “walking the dog” with a MirrOlure She Dog he got slammed by a 18 inch speck. Subsequent casts produced another speck 16” in no time. We started to follow the large schools of mullet bait next and we both quickly found puppy drum underneath them three that were in the 18-19 inch range. Then to total surprise us Louis hooked up a striped bass that ended up being 25 inch which needed to be released given that the season was closed. We stopped fishing right after sundown elated with our catch all on topwater lures.

The next morning at Little Creek with Ned 7.15.21

Ned and I fished the Little Creek the next morning after Louis and I had such a great night with the topwater action. So I started out in the same area as the night before throwing a MirrOlure She Dog and I quickly hooked up on a 24 inch that slammed my lure and gave me a great fight to the finish. Unfortunately that was it for a couple of hours until about an hour before we had chosen to stop when we found a school of specks in the 15-16 inch size that liked our Z-Man white curly tails. We ended the morning with Ned hooking up three and me one. A fine morning of fishing.

Blessings, Ike

Surf News

BUCKET LIST CATCH ALERT!

I've recently worked hard on catching Spanish and blues by casting metal in the surf. Today, my investment in my skills and equipment paid off! 6-01 and 30.5" TL Spanish Mackerel caught on the beach in Virginia Beach! I casted as far as I could to a group of Spanish working some bait. Missed three quick hits and came tight to a drag screamer. I worked the fish almost 400 yards down the beach before gathering enough nerves to pull it up onto a wave. I got her to turn on a half wave and ride straight up the beach. I immediately knew it was the monster I had hoped for and was short to head for the tackle shop.

Shoutout to [Ryan White](#) at Hatteras Jack's in Rodanthe, NC. He took the time to match me with a century surf machine elite that is paying dividends. Can't Catch Fish On The Couch!

Fresh Water News

Alan and I have had a mostly productive month. Had three good days on the Piankatank River. The third day was so hot we went way up river where it narrows down with good shade. Caught mostly panfish, but they were good scoring points and feisty when hooked. Also caught gar, bowfin and white perch. Each of us caught a warmouth. We had several methods to beat the heat (somewhat). We put ice cubes in sandwich and snack bags and put them under our hats. We also had wet towels on the ice bags and applied to our necks as needed, then replaced in cooler for more use. We bought the spritzing fans and used those too. We reminded each other that when it was cold and windy, we were looking forward to warmer weather. However, this is too warm.

A Great New Car Wash is Here! Fast...Clean...Easy **Free**
Vacuums Always!

FAST

Coastal Breeze Car Wash is uniquely fast and precise. We offer a three stage process that cleans, protects, and shines your car in under 8 minutes from the moment you pass through the gates. After you are done, go and visit one of our 20 FREE High Powered Vacuum stations to give your interior the cleaning it deserves.

CLEAN

We partnered with world class chemist from industry leading brands like Simoniz and Rain-X to be at the forefront of car wash technology. Each stage of the car wash process is meticulously tuned and chosen to provide you with a clean and shiny exterior we all can be proud of.

Stage 1

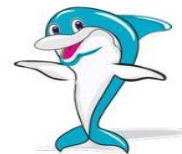

Your car goes through the cleaning process to remove dirt and debris.

Stage 2

High quality waxes are applied to your vehicle to provide a showroom quality shine.

Stage 3

We seal and protect the paint with our carefully curated protectants.

EASY

At Coastal Breeze we take pride in making the customer experience simple and easy. Everything is done in three easy steps.

Step 1

Pay using our easy to use kiosk, or skip paying and save money by using a Fast Pass "Breeze thru" plan.

Step 2

Our state of the art equipment will guide you through the three stage cleaning and drying processes.

Step 3

Visit our free high powered vacuums to finish the process, and enjoy the rest of your day!

VBAC MISSION STATEMENT

The purpose of the VBAC is to encourage sport fishing, both freshwater and saltwater, while supporting prudent governmental and other policies that promote the preservation, conservation and ecology of all marine life.

Our Objectives:

- ❖ Monitor legislative and regulatory activities relating to management of local and regional fisheries and participating actively, where appropriate, to assure the adoption of sound management policy and practices that best serve the interests of VBAC members.
- ❖ Promote interest and participation in recreational angling by conducting programs and activities that encourage sport fishing.
- ❖ Educate members and others in the techniques of sport fishing to enhance their enjoyment of the sport.
- ❖ Conduct social activities that create a wholesome climate for deriving the maximum pleasure from sport fishing by members, their families and guests.
- ❖ Plan and conduct fund raising activities to provide the revenues needed to support these objectives.
