The President's Corner

Well, the weather has been rather fickle lately so fishing remains slow. If you can find a nice day and get out to one of the wrecks, do some deep dropping for some Golden tiles. If you are not fishing, now is the time to get your gear ready. Also this month is the Great Bridge Fishing Flea market, find yourself some great deals and get ready for the spring.

Wishing you fair winds, following seas and tight lines.....

Chris

GBFA FISHING FLEA MARKET

Attention members! The GBFA Fishing Flea Market is going to be held on the 12th of March. Please take a few minutes to look around as we approach that date for items you'd like to sell. Your Virginia Beach Anglers Club will sponsor two tables this year. Members are welcome to bring items they would like to sell where they will be viewed by everyone at the event. The club takes 10% of the sales price to help offset the table cost and adds any surplus to our coffers. I give everyone their proceeds at the April meeting. If you bring in the items you'd like to sell to the March meeting clearly priced along with a list (numbered to correspond to the numbered price tags on the items) of those same items with the lowest prices you would accept and give them to me, they will be on the table in March!

If your membership dues have not yet been paid, please submit your dues at the meeting in order to participate.

We will need volunteers to help set up the night before between 5:30 & 6:30, help man the table(s) for an hour or two, and to break down between 2:30-3:00 for about 20-30 minutes.

If you have any questions, please feel free to either call or email me. 757-582-1450 or pmangum@roseandwomble.com

Thanks,

Preston

The February Flea Market

It was great seeing everyone at Thursday night's general membership meeting. There were several new faces (and hopefully, new members) attending, along with lot of familiar faces who have been missed at our meetings during the last 2 years. A big thank you to the several members who participated in our swap meet. Along with great deals on rods, reels, lures and other fishing gear, Michele Schneider brought her sweet sampling of chocolate delights and hand crafted wood charcuterie boards, Sue Smith brought a wide selection of Valentine Gnomes.

Six brave members stepped up to the challenge for the chili cook-off, and we were treated to delicious samplings of their best chili. The competition was tough. Thanks to Jerry Hughes, Jerry Mariano, Ike Eisenhower, Gary Deorhoff, Bob Burstien and Patty Searby, it looked like everyone enjoyed your culinary masterpieces! Members voted, and although it was close, Patty won the bragging rights for 2022. We hope to see even more members participate next year.

Thank you for coming out to eat, shop for deals and mingle! We look forward to making this an annual event.

2022 VBAC Roulette

2022 VBAC Roulette

Wheel Spin Date: Thursday, March 3rd, 2022

The roulette wheel will be spun at the **March 3rd, 2022** membership meeting. You must declare your entry to the Prize Fish Committee **before** the spin of the wheel.

Roulette Information: To promote competitive fishing, the club devised a way to support fishing without providing an unfair advantage to any anglers. The solution involved a wheel that included a variety of freshwater and saltwater species in Virginia. The species are selected at random by spin of the roulette wheel. It costs \$20 for an angler to participate and each species winner receives an equal share of prize money.

Roulette Rules: Any fish caught from 1/1/2022 – 12/31/2022 can qualify. Only the **heaviest** fish in each category will win. Must have contacted the Prize Fish Committee to enter before the wheel is spun. Participants should provide payment as soon as possible. It is suggested that members mail a \$20 check to the club after registration for the roulette. You are required to submit your entry via the clubs standard Prize Fish form. Prize Fish/Roulette entries can be submitted in hand or by mail to the Virginia Beach Anglers Club Prize Fish Committee. A table of the current leaders will be kept up to date and posted in each newsletter. **Participants must be members in good standing with dues current.**

For any questions or concerns regarding the Roulette or Prize Fish contest, please contact the Prize Fish Committee Chairperson (Ike Eisenhower).

DONATIONS

Dozens of businesses and individuals provide donations to the Virginia Beach Anglers Club on an annual basis. Their contributions don't always appear as raffle prizes at the banquet. They may also contribute by buying ad space in our calendar, website, or newsletter. Donations are made monetarily towards our Seton Youth fishing event as well.

Each of these contributions help to make the club successful.

Support those local businesses that support us and thank all the individuals that help make a difference. Without all of them, the club would not be able to provide the many opportunities it does to give back to the community.

Salt Water News

2-13-2022

- Fished today on my V14 Tracker with Ned Smith in the Elizabeth River and what a fabulous catching day it was!! Launched out of Great Bridge Locks with the water temp 41 degrees, air temp was 37 degrees but no wind. Started fishing near the Veterans Bridge and I caught a 17.5 inch speck on first cast. From that point on Ned and I began catching 20 specks: 17 inch to 24.25 inch one after the other, some times 2 at a time. That monster fish is the one posted here. That is Ned's release state citation fish.
- We only moved when the outgoing tide slowed. Fishing the Deep Creek produced 5 fish and one throwback, the only one for the whole trip. We later moved back to our starting place and caught 5 more. My biggest was 21.5 inches (the photo). All over 20 inch fish were released (5 Ned's, 4 mine). I kept 4 fish 18-19 inch. Most caught on Heavy Mirrodene 18MR electric chicken & 808 colors.
- 30 keeper specks with one throwback and one state citation was a wonderful catching day.
- Blessings,
- Dr. James W. Ike Eisenhower

Fresh Water News

A Crappie February Day:

Went fishing in my Tracker with Russell Willoughby to the Lake Smith looking for crappie. The temperature of the air had into the 50's a few days before and this one was supposed to be warm and low winds till around 4 pm. We launched at 11am with a water temperature of 50 degrees and almost no wind. We headed to Lake Larsen first. Within 10 minutes I had a 14 inch crappie that was fat. I wanted some eating fish so kept this one. But it was the only fish we caught there so we moved after an hour. Back in Lake Smith we went to some places where the lily pads are usually there but this early they weren't at the surface. This was the place to go. After Russell and I both hooked up a couple that got off in the lily pads we began to target where the pads weren't then we started catching keeper crappie and small bass. I kept 5 for dinner in the 12-14 inch then started releasing them. I released a 14 incher, two 13 inchers and a 12.5 inch club minimums. Russell was catching 11-12 inch fish and two largemouth bass one of which was 16 inch (in photo). I got a 15 inch bass myself that we released. But at one point Russell had a cast that was hanging over a branch of a fallen tree we were fishing by. He said as he was yanking on the line to free it the jig and shiner was dangling above the water when a chain pickerel came out of the water and grabbed the bait. That made for an exciting fight with that fish flying all around the boat but it didn't get our lines and went into the net (see picture). In all we caught about 18 crappie, three bass, and one chain pickerel all released but five crappie. All caught on shiners on chartreuse crappie jigs using ultra-light rods mostly. The bite turned off about 3:30pm when the wind shifted to the SE and increased to 15-20 making bobber fishing impossible. But a grand fishing day for February.

Blessings,
Dr. James W. Ike Eisenhower
